Dr. Mamata Ponnaganti

Mamata is the only Swami Devotee in her family growing up. She didn't know about Swami till 10th grade when for the first time she was at her cousins place.

She happened to be there for the weekend and the first time she heard the Sai Bhajans. Her cousins family conducted Bhajans every Saturday at their home. She loved the bhajans and was impressed with the unison singing.

She saw the way her cousins grandma always left fresh buttermilk in a mudpot outside the house in the summer for people to quench their thirst. The Grandfather was a retired judge and would teach Wren & Martin grammar and conduct Balavikas classes for kids in the neighborhood. Mamata was impressed with the selfless acts done by this elderly couple.

The Grandfather gave Mamata a picture of Swami which she says that she carried in her book bag all along and even to Chidambaram to her dental school.

Like everyone she doesn't have a lot of physical interactions with Swami - she visited Whitefield in 2000 where she saw Swami for the first time! She says that the darshan what she received that day has been by far the biggest BLESSING in her entire life!

Since she moved to Tampa Bay area in 1999 after finishing her studies at Boston University she has been fortunate to find the SAI Group in Clearwater. Since then Swami has blessed her with multiple opportunities to participate in community health and dental camps and many other services organized by the Sai group.

Mamata is a practicing Dentist in Clearwater and Tampa areas for over 21 years now and with Swami's grace is hopeful in rendering more volunteering activities!
